RESOLUTION OF THE GENERAL COUNCIL
OF THE REPUBLIC OF TEXAS

Resolution No. GC98-101

Whereas the definition of the word Citizen in most modern dictionaries has come to put people in the class of being subjects and or slaves of a government;

Now Therefore Be It Resolved that the General Council of the Provisional Government of the Republic of Texas hereby adopts a definition for the word Citizen, with respect to those declaring Citizenship in the Republic of Texas as follows:

Citizen: A natural man or woman created by Almighty God as a living breathing being who domiciles within the geographic boundaries of the Republic of Texas and has declared Citizenship in the Nation of the Republic of Texas. A Citizen of the Republic of Texas is a free, politically independent man or woman, and is not now, nor will ever be, in any shape, form or fashion, a subject of the Political Body or elected government of the Republic of Texas. He/She will forever remain free to exercise his/her natural, substantive, God Given rights as he/she may choose, free from man made laws, statutes, ordinances, regulations, rules, etc. Republic of Texas Citizens adhere to the principles of Freedom, Self-Responsibility, and the Common Law.

A quorum of the General Council of the Provisional Government of the Republic of Texas having been certified this resolution has been unanimously adopted on June 19, 1998.
